The Disaster Assistance Appeal Board is a quasi-judicial tribunal that hears appeals and may provide assistance in accordance with the policy and guidelines for disaster assistance approved by the Lieutenant Governor in Council.

Authority:

[The Emergency Measures Act](#)

Responsibilities:

The Emergency Measures Act provides an appeal process for claimants who feel they have not received all the assistance to which they are entitled from the Disaster Financial Assistance program. The first stage of this process involves an internal review, and the second stage is an appeal to the Manitoba Disaster Assistance Appeal Board.

When a Disaster Assistance Program is implemented in accordance with the Act the Manitoba Disaster Assistance Appeal Board is responsible for the adjudication of appeals pursuant to The Emergency Measures Act, the Disaster Financial Assistance Policy, and Policy, The Red River Floodway Act and The Water Resources Administration Act.

The Board hears appeals resulting from the disposition of claims for disaster assistance by the Manitoba Emergency Measures Organization (“EMO”). The appeals generally focus on the eligibility of the claim and/ or the amount of compensation awarded.

The Board can dispose of an appeal by confirming, varying, or setting aside the decision of the Emergency Measures Organization. All parties involved in the appeal are notified in writing as to the decision of the Board. Any assistance granted under The Emergency Measures Act is gratuitous and the Board’s decision is not subject to any appeal or review in any court of law. Decisions under The Red River Floodway Act and The Water Resources Administration Act are subject to appeal.

The Chair/Vice Chair is responsible for writing decisions that may be appealed to the Courts.
