## Urban Angling Partnership

### GET HOOKED ON FISHING!

The Urban Angling Partnership (UAP) is comprised of private sector and government agencies working together to develop the urban recreational angling potential of the Red and Assiniboine rivers in Winnipeg.

By working together, the UAP has developed a number of programs that are designed to introduce youth and families to angling, and provide residents and visitors to the city with an opportunity to experience a world class fishery.

UAP programs include:

- ... Learn to Clinics
- ... Fish Winnipeg Challenge
- ... Kids Fishing Van
- ... Youth Fishing Camps
- ... Winnipeg Fish Festival
- ... Urban Fishing Derby

For more information about UAP and its programs, please call (204) 945-6640 or email: [fish@gov.mb.ca](mailto:fish@gov.mb.ca).
