

New Process for 2020 Caribou Licence Sales

Caribou licence sales will only be available for purchase through the new electronic licensing system. Sale will still be on a first-come, first-served basis beginning June 4, 2020 at 8:30 am.

There are three ways you can purchase your caribou licence through the elicensing system:

1. Online through a computer (e.g. at home, mobile phone, tablet, etc.) at www.manitobaelicensing.ca You must pay by credit card.
2. Vendors - participating [retailers and government offices](#).
3. Call Centre – 1-877-880-1203 - Open: 8 am to 9 pm, 7 days per week for those individuals who do not have access to a computer.

Caribou licence sales will begin Thursday June 4, 2020 at 8:30 am,

Prior to the licences becoming available on June 4th hunters should:

- Create a profile on the elicensing system. You can create your profile any of the three ways listed above.
- Preorder a pack of 5 game tags, these can be ordered online through a computer or through the call centre. Tags are free-of-charge.
 - Customers are not required to have their game tags prior to purchasing a caribou licence. If you do not have any tags, a tag will be assigned to your online caribou licence purchase and the licence and tag will be mailed to you.
 - A game tag and the licence will be linked together.
- When caribou licences become available online Thursday June 4, 2020 at 8:30 am, customers will need to sign in to their elicensing account (or create one) and go through the sales process to purchase a licence. Begin the process by clicking on the Purchase Hunting Licence Tab.
- **For GHA 1 caribou licences:** If you wish to purchase a second GHA 1 caribou licence, you must add the first GHA 1 caribou licence to your cart before the second GHA 1 caribou licence will be available for purchase. You do not have to purchase the second GHA 1 caribou licence at the same time as your first GHA 1 caribou licence. The availability of a second licence is not assured and is on the first-come first-served basis.

Licences for each area and season will be issued on a first-come, first-served basis until the number of available caribou licences available are sold.
