The re-licensing education Program gives you the competitive edge necessary for success, resulting in enhanced professionalism and stronger relationships with your clients.

With increasingly self-reliant consumers in today's highly-competitive business environment, REALTORS® need a superior standard of real estate practice.

MREA responds to this need by developing relevant, practical and useful Re-Licensing Education (MCE) seminars to reflect changes in all areas of the profession.

The Re-Licensing seminars are developed with REALTORS® in mind. Materials are drawn from years of experience and provide you with real, practical value. Seminar leaders are industry experts who bring their knowledge and experience to you in an informative, entertaining style. The seminars encourage discussion and interaction with your peers. You will receive a comprehensive manual to help you retain the new knowledge and skills, long after the seminar is over.

New salespeople and seasoned pros will find these seminars enhance professional skills and provide solutions for the most challenging issues.

COURSE POLICIES

This is a required education course that must be completed by all registrants prior to the next renewal of their license. Failure to do so will result in a lapse of registration with The Manitoba Securities Commission.
